What is a side sewer? Do I need to repair it?

If you own your home in Seattle, you own the side sewer (also called a sewer pipe) to the public sewer. Your side sewer carries wastewater from your sinks, toilet and drains to the public sewer in the street.

How do I know if my sewer pipe is broken?

Scan this QR code or go to <https://www.seattle.gov/utilities/your-services/sewer-and-drainage/side-sewers> to see the *Troubleshooting Your Sewer Problem* guide.

How do I qualify?

- Live in the home you own in Seattle
- Have a broken or collapsed side sewer requiring emergency repair
- Meet income guidelines listed below

Income Guidelines for 2021*

Family Size	Annual Income	Family Size	Annual Income
1 person	\$63,350	4 persons	\$90,500
2 persons	\$72,400	5 persons	\$97,750
3 persons	\$81,450	6 persons	\$105,000
